

# Appendix 1- Dealing with Spirits of Infirmary (Sickness and Disease)

(Taken by Paul Nyamuda's Freedom book)

Many people involved in the healing ministry have experienced an increase of healings as they have rebuked spirits that cause illnesses as opposed to interceding for healing. This of course requires some degree of discerning of spirits to know when you need to be dealing with demonic activity. Other times we just get used to certain sicknesses being demonically induced, so it becomes our default way of dealing with that infirmity. In Luke we see this key scripture where Jesus deals with sickness in this manner:

## **Luke 13:11-13 NIV**

*And a woman was there who had been crippled by a spirit for eighteen years. She was bent over and could not straighten up at all. <sup>12</sup> When Jesus saw her, he called her forward and said to her, 'Woman, you are set free from your infirmity.' <sup>13</sup> Then he put his hands on her, and immediately she straightened up and praised God.*

## **Let's look at verse 11 in other translations:**

### **NLT**

*he saw a woman who had been crippled by an evil spirit. She had been bent double for eighteen years and was unable to stand up straight.*

### **ESV**

*And behold, there was a woman who had had a disabling spirit for eighteen years. She was bent over and could not fully straighten herself.*

### **NASB**

*And there was a woman who for eighteen years had had a sickness caused by a spirit; and she was bent double, and could not straighten up at all.*

### **KJV**

*And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself.*
